

## **Announcement: Chinese Utahans' Action Proposal for Fighting COVID-19**

On March 21, 2020, Twenty Utah Chinese and Asian community organizations jointly released an action proposal for their members to support statewide efforts to control COVID-19 spread among Utahans. The statement asks Chinese and Asian communities to follow the Governor and local officials' COVID-19 guidance; protect their own family, help each other and neighbors; provide voluntary services for seniors and donate disinfection supplies to vulnerable populations; and donate funds or medical supplies such as face-masks to health or charity organizations. Chinese and Asian Utahans should work side by side with all Utahans to help mitigating the impact of the COVID-19 pandemic. We will ultimately win this battle to achieve "Health for All and Peace for All."

These 20 Chinese organizations are:

- Chinese Association for Science and Technology - Utah Chapter
- Utah Chinese Golden Spike Society
- Ocean Mart
- BYU Chinese Students and Scholars Association
- UU Chinese Students and Scholars Association
- USU Chinese Students and Scholars Association
- UVU Chinese Students and Scholars Association
- Utah Indochina Chinese Benevolence Society
- Utah Chinese Folk Orchestra
- Salt Lake Chinese Choir
